

CURRENT RATE SHEET (2024)

(We are in-network with BlueCross BlueShield, Medica, HealthPartners, United Healthcare, UMR, Aetna/FirstHealth Network, Medicare, Sanford Health, MultiPlan, and Medicaid)

- We never do balance billing if in-network with your policy.
- Can you still get reimbursed for out-of-network (OON) care? Yes! Many patients think that because a provider is listed as OON, they have to pay 100% of the cost themselves. But that's not true—insurance companies just want you to believe it is. Many insurers agree to cover 50 to 80% of the cost of out-of-network services like nutrition counseling.
- RATES: There is difference in price for self-pay visits VS. price using insurance.

Self-pay rates/out-of-network/NO insurance involvement :

MEDICARE and MEDICAID: SELF-PAY clients get a 10% discount on all the below.

All appointments are for 60-75 minutes.

1. Pay as you go, per visit: = \$125 (due after every visit)
2. Package rates: (used within the next 6 months from the first visit; bundled visit payment is due right after your FIRST visit):

4-visit package- \$399 ← BEST VALUE for 4 visits (\$99.75 each)

OR

6-visit package - \$552 ← Best value for 6 visits (around \$92 each)

OR

8- visit package- \$720 ← Best value for 8 visits (around \$90 each)

"Add-ons 2 visits" after any bundled option- \$188 (\$94 each)

You may pay us using HSA/FSA cards also. Invoice will be provided.

Prices using insurances (OUT-OF-NETWORK):

If insurance involvement is there and we are out-of-network, you pay us out-of-pocket and at the time of service and here is more info on your reimbursement-

We provide you with a superbill ("itemized receipt of services") and **it's your responsibility to submit that superbill to your insurance on your own and you will receive the reimbursement directly.** Superbill is a great way to leverage your insurance and decrease out-of-pocket expenses. (We do recommend you check with your insurance **if you have** out-of-network MNT/nutrition counseling benefits on your policy). You may pay us using HSA/FSA cards also.

Rates- **Initial Nutrition visit**, around 90 minutes: **\$300** ; **Follow-up visit**, around 60 minutes: **\$160**

If you have more than one insurance: **Please send both cards, primary and secondary insurances.** Primary insurance needs to be billed before secondary insurances. If any of these are not your primary insurance, you will need to self-pay.

PAYMENT: A valid credit/debit card on file is required and will be charged for self-pay fees, amounts insurance tells us are your responsibility after claims processing, and in case of late cancel or no show. You may also keep a HSA/FSA card on file for eligible transactions. If your insurance does not cover your visit(s) for any reason, you are responsible for the full amount billed.

INSURANCE VERIFICATION QUESTIONS:

Payment for services is ultimately your responsibility.

Keep your insurance card on hand and call the 1-800 number at the back of the insurance card.

If you have **HealthPartners**, instead of calling them, you could request them benefits via email as well.
